WHAT TO EXPECT WHEN YOU'RE ON

Safari

LIFE ON SAFARI

Early Mornings

The best wildlife sightings often happen just after dawn, so expect early wake-up calls! The reward? Golden light, cool air and nature at its most active.

Wrap Up Warm

Even in Africa, mornings can be surprisingly chilly - especially when you're speeding across the plains in an open vehicle. Layers are your best friend!

Bumpy Roads

This isn't your average road trip. Safari tracks can be rough and rugged, adding to the sense of adventure. Hold on tight - it's all part of the fun!

Be Patient

Wildlife doesn't run to a schedule. But those quiet moments of waiting often lead to the most extraordinary encounters. Remember, the bush always has surprises in store.

Listen to Your Guide

Your guide is your wildlife expert, tracker, storyteller and safety guru all in one. Trust their instincts - they know just where to look (and when to stay still and silent).

TYPES OF ACCOMMODATION

Luxury Tented Camps

Think canvas walls, polished floors and gourmet dining under the stars. These camps blend adventure with indulgence - close to nature, without compromising comfort.

Safari Lodges

Often built from stone and thatch, lodges offer a more permanent base with luxurious rooms, swimming pools and sweeping views over the bush.

Boutique Bush Camps

Small, intimate and full of character. These camps often have a rustic charm, warm hospitality and a strong focus on immersive wildlife experiences.

Mobile Camps

Follow the wildlife with seasonal mobile camps that move with the action. Expect simplicity, amazing locations and a deep sense of connection to nature.

Eco Camps & Sustainable Stays

For the conscious traveller, many lodges are now designed with minimal environmental impact - think solar power, eco showers and community support.

TYPES OF TRAVEL

Fly-In

Cover vast distances quickly by air, hopping between remote safari lodges. Perfect for those seeking comfort and efficiency - and epic aerial views.

Road

Explore Africa's wild beauty up close on a thrilling road safari in a 4x4 with a pop-up roof, offering adventure, flexibility, and unforgettable scenery between remote lodges.

Road & Air

Enjoy the best of both worlds by combining scenic 4x4 road journeys with the convenience of flights — a perfect way to take in the landscape while still accessing remote destinations. Many 4x4s feature open sides for an immersive experience.

Self-Drive

Fancy the freedom to explore at your own pace? In some destinations, you can hire a vehicle and head out on your own adventure. It's intrepid - but thrilling!

Small Group Tour

Join like-minded travellers on a guided group safari. You'll share the experience, swap stories and often make lifelong friends. Maximum numbers are normally 7 in a vehicle.

Private Guided Safari

Want to design your dream itinerary? Go private. A personal guide and vehicle means you choose the pace, timing and focus of each day.

KENYA

Home to some of the most iconic national parks and reserves in Africa, the most famous of which is the Masai Mara. Beyond the Masai Mara there are several other notable areas for game viewing: The Laikipia Plateau & Mount Kenya, just to the north of Nairobi. Amboseli to the south, with Meru National Park, Samburu Reserve and the Lake District. Each has distinct topography and endemic flora and fauna, all are worth a visit.

As well as the game viewing, Kenya is also renowned for its beautiful beach resorts where the warm waters of the Indian Ocean lap the 300 mile coastline of glorious palm fringed white sandy beaches.

BEST TIME TO GO

June to October is considered high season as there's virtually no rain and daytime temperatures are not too hot. The weather is at its best in these dry months. Wildlife congregates around water sources, and there is an air of anticipation for the arrival of the Great Migration's mega-herds into the Masai Mara. However, with a diverse geography and a moderate climate, Kenya is considered a great year-round safari and beach holiday destination.

Classic Kenya

DAY 1 Arrive in Nairobi. Drive across the Great Rift Valley to the Masai Mara. Enjoy an afternoon game viewing before transferring to your safari lodge for 2 nights.

DAY 2 Enjoy a full day of game viewing in the Masai Mara. Elephants and buffalo can be found in the riverine forests, with impala and Thompson's gazelle on the grasslands together with lion, cheetah, hyena and jackal.

DAY 3 Return to the Rift Valley and on to Lake Naivasha. Take an afternoon boat trip on the lake which is one of the prime bird watching areas in East Africa. Stay at a lakeside lodge.

DAY 4 Drive to Amboseli, crossing the Athi plains, home of the colourful Masai tribes. Stay 2 nights at a lodge in Amboseli.

DAY 5 Enjoy morning and afternoon game drives in Amboseli with lush water holes, open plains, and acacia woodlands. Spot lions, leopards, cheetahs, elephants, and game, all with Mt. Kilimanjaro as a stunning backdrop.

DAY 6 After an early breakfast, enjoy your final views of Mount Kilimanjaro before departing Amboseli. Travel north across the Athi Plains to Nairobi, then transfer to the airport for your flight to Mombasa.

DAY 7-10 Enjoy three vibrant days in Mombasa, enjoying Swahili culture at Fort Jesus, relaxing on Diani's beaches, savouring local delicacies, and exploring bustling markets for a delightful coastal adventure.

BEST TIME TO GO

South Africa's summertime, from December to March/April are great months to visit Cape Town, the Winelands and the Garden Route - you can expect warm, sunny days and limited rainfall. May to October will be cooler and probably wetter in the Western Cape, but it's drier in the safari areas and as the grasses die down it becomes easier to spot the wildlife.

South Africa Highlights

Days 1 Arrive in Cape Town and transfer to your hotel for 4 nights.

DAYS 2-4 There's much to explore in this beautiful city of Cape Town. Table Mountain is a must and we are sure you'll want to explore the shops, arts and crafts, entertainment and food halls at the V&A Waterfront.

DAYS 5-6 We will arrange for a car to be delivered to your hotel, then set off for a couple of nights in the Winelands. Franschhoek is a picturesque village and a popular place to stay. Stellenbosch is worth exploring and there are numerous wine estates to stop off at en-route.

DAYS 7-8 It's a scenic drive across the Franschhoek Pass through Robertson and Montagu to Oudtshoorn for a 2 night stay. This little town is famous for its ostrich farms and the Cango Caves are spectacular.

TANZANIA

Experience an unforgettable safari holiday in Tanzania, exploring its iconic landscapes and abundant wildlife. Witness the Great Migration in the Serengeti, where millions of wildebeest and zebras traverse the plains. Discover the Ngorongoro Crater, a UNESCO World Heritage Site, teeming with diverse animals including the Big Five. Visit Tarangire National Park, famous for its large elephant herds and ancient baobab trees. Enjoy a cultural tour of a Maasai village, gaining insights into their traditions. Conclude with a relaxing stay on the pristine beaches of Zanzibar, where you can unwind and soak in the vibrant Swahili culture and crystal-clear waters.

BEST TIME TO GO

The best months are usually January to early March and June through to December. In November it's the turn of the 'short rains' so expect short, sharp bursts of rain which, in our experience, are not enough to spoil the game viewing, and the dramatic skies make a great backdrop. On the islands, the best weather is from July to October when you can expect hot, sunny days and little rainfall.

Classic Tanzania

Days 1 Arrive in Arusha for an overnight stay.

Days 2-3 Relax in the morning, then meet your guide and drive to Ngorongoro for a 2-night stay in Karatu. Spend a day in the Ngorongoro Crater, enjoying views from the rim before descending for a day of game viewing and a picnic lunch amid diverse scenery and abundant wildlife.

Days 4-5 Travel to Serengeti National Park for 2 nights. Depending on the season, you might witness the Great Migration, but the Serengeti offers impressive game viewing year-round.

Day 6 Continue to Lake Manyara for an overnight stay. The park features an alkaline lake attracting flamingos and the famous tree-climbing lions.

Day 7 Drive to Tarangire National Park for an afternoon of game viewing, known for its baobab trees and large elephant herds, especially in the dry season.

Days 8-12 Return to Arusha, where the tour ends. Fly to Zanzibar for a relaxing beach stay, enjoying watersports, cultural tours, and the charm of Stone Town.

BOTSWANA

Embark on an extraordinary safari holiday in Botswana, home to some of Africa's most pristine wilderness. Explore the Okavango Delta, a UNESCO World Heritage site, teeming with wildlife. Enjoy mokoro (dugout canoe) excursions and guided walks, offering close encounters with diverse fauna. Visit Chobe National Park, renowned for its massive elephant herds and scenic boat cruises on the Chobe River. Discover the stunning landscapes of the Makgadikgadi Pans and the wildlife-rich Moremi Game Reserve. Luxurious lodges and intimate camps provide exceptional comfort and hospitality. A Botswana safari promises unparalleled adventure and unforgettable experiences in the heart of Africa.

BEST TIME TO GO

To see the Delta at its watery finest, we recommend visiting between June and October, though as the amount of water in the Delta depends on rainfall in Angola in the preceding months, this can be a moveable feast. Days at this time of year should be hot and dry. This is also the best time to visit Chobe as the lack of rain brings the migrating wildlife down to the river.

Luxury Botswana

Days 1 Arrive in Victoria Falls and transfer to your chosen hotel or riverside lodge for a stay of 2 nights.

DAY 2 At leisure to enjoy the hugely impressive Falls. Whether you're viewing the Falls on foot or from a helicopter, there are incredible photo opportunities. We recommend a sunset cocktail cruise on the Zambezi.

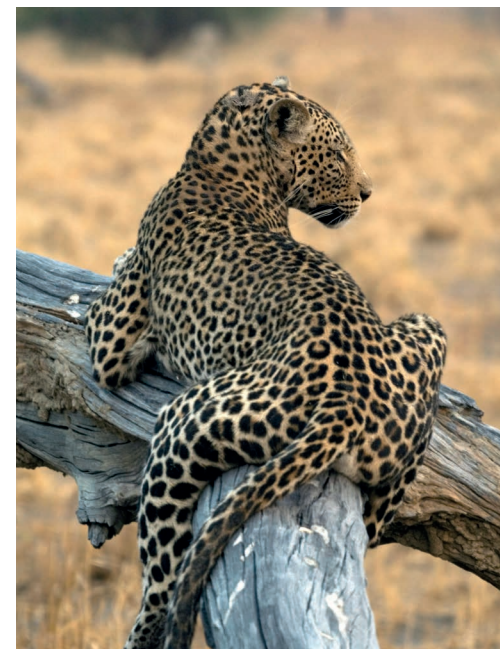

DAYS 3-5 Transfer by road into Botswana or take a short flight to Kasane Airport for the flight to Savuti, a game-rich area in the western corner of Chobe National Park. Stay 3 nights and enjoy 2 full days of game drives.

DAYS 6-7 Fly into the Delta for a 2 night stay at a water camp. There are several to choose from and we can recommend a camp to suit you. They all offer activities based on the water - gentle mokoro rides through the reeds and game viewing by boat. Look out for wildlife often seen in this area, such as the Red Lechwe and Sitatunga antelopes.

DAYS 8-10 To complete the Delta experience, we recommend you finish with 3 nights at a land camp for thrilling game drives on open safari vehicles.

RWANDA & UGANDA

Rwanda and Uganda are two of only three places on earth where you can see the endangered mountain gorillas in their natural habitat. Your trek observing the gorillas is fascinating and rewarding but will probably leave you wanting more, which is why we recommend a second trek. Gorilla trekking permits are strictly limited so we will need to plan in advance.

Both countries are also home to healthy populations of chimpanzees. Beyond the primates, there are wildlife parks, lakes, mountains, forests, rivers and incredibly beautiful scenery.

BEST TIME TO GO

Gorilla and chimpanzee trekking are year round activities, however we recommend you plan your visit during the two dry seasons from June to September and again from mid-December to February. We suggest you avoid March to May if you can, the rains are heavy and persistent and the treks can be steep and muddy. Game viewing in the parks is best during the dry seasons, particularly towards the end of the seasons. November to April is great for birdwatching.

Hidden Uganda

DAY 1 Arrive in Entebbe for an overnight stay.

Days 2-3 Travel by road to Murchison Falls National Park with your driver-guide. En-route, enjoy a guided walk at Ziwa Rhino Sanctuary. Stay 2 nights in the park, where you'll take a game drive along the Nile River, spotting lions, buffalo, elephants, and Rothschild giraffes. Continue game viewing on a boat cruise to the bottom of Murchison Falls.

Days 4-5 Drive to Kibale Forest Reserve for a 2 night stay. You'll embark on a thrilling trek to see chimpanzees in Kibale Forest, along with other primates during your strenuous walk.

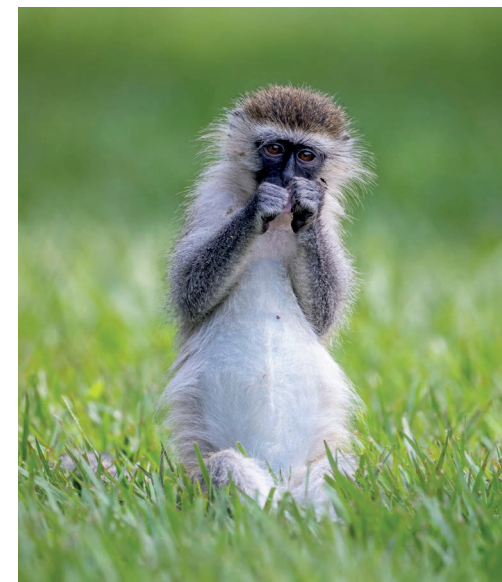

Days 6-7 After lunch, leave Kibale for Queen Elizabeth National Park, staying 2 nights. Enjoy game drives and a boat cruise on the Kazinga Channel, spotting elephants, hippos, Nile crocodiles, and diverse birdlife.

Days 8-10 Conclude with a visit to Bwindi Impenetrable Forest to see mountain gorillas. The trek is steep and strenuous, but your time spent with the gorillas is unforgettable. During your 3 night stay, you can also enjoy forest walks, bird watching, or a cultural visit to the Batwa tribe.
